FIRE MENACED TOWN.

Brickyard and Woods About Epping, N. H., Abaze.

Epping, N. H., Aug. 25.—Fire which damaged the plant of the New England Brick company and spread to the woods yesterday appeared so threatening at one time that help was called from Manchester; but the fire was brought under control with little damage.

Some of the sheds at the brickyard were partly burned, and at one time sparks set fire to the roof of the company's boardinghouse, but this blaze was quickly put out. No other buildings were near enough to be in danger, but a force of volunteer fire fighters had to work for some time before they could put out the fire in the woods. The loss will not exceed \$5,000.

Hypnotizing a young man and making him walk through the flames of burning naphtha, knee-high, was wonderful, yet true. With volunteer subjects from the audience, Amerno kept the people in roars of laughter.
